OFFICERS AND DIRECTORS
INDIANA SHORTHORN BREEDERS' ASSOCIATION

Indiana Shorthorn Breeders' Association officers and directors for 1956 include, left to right, standing: William Earl Wilson, Greenfield; John Whitehead, Greensburg, Gail Maurer, Connersville, secretary; B. Hollis Hanson, Connersville; Clyde Harlow, Tipton; M. H. Woody, Greentown; George Allison, Washington. Seated: Lester Sigler, Elwood, vice president; Durbin Budd, Lebanon, president, and Allen Creek, Liberty.

A MESSAGE FROM THE SALE MANAGER

Champions, winners of blue ribbons and individuals closely related to show winners dominate this offering. Many of the individuals are from the 1956 show strings including the Reserve Grand Champion Bull and the Reserve Junior Champion Female at the Indiana State Fair as well as several that stood well up in the various classes. It is difficult to find such top quality throughout an entire offering as the Indiana breeders are consigning to their annual Fall sale.

Look carefully at the fine pictures of animals selling; study the footnotes and pedigrees. You will be convinced that this is truly a top notch offering.

★**CONTROL'S ROYALIST 2882-484.** Here is an outstanding son of Tippican Control 12th, the excellent breeding bull whose get is so well known. This dark red, short legged, burly headed youngster should make an outstanding sire. He was in our winning show herd this year and was third in the Junior Bull Calf class at the Indiana State Fair. His dam is by Leveldale Dispatch whose calves made a good record in the Femco dispersion.

★**ELCONA ROBIN ELVIN 3d** The sire of this calf has an outstanding production record that is known to Shorthorn breeders all over the country. Hiland Crimson May, his dam, is one of Elcona Farms' greatest cows. One daughter sold for \$1125. and another for \$710. A son brought \$1675. at the International Congress Sale. He and another son were used successfully by Elcona. This bull is probably too young to sell now, but his buyer can expect to be well paid for holding him until he reaches serviceable age.

★**KAIR FUCHSIA 2687322.** This cow carries the most famous bloodlines in Scotland. The Andersons paid \$40,000 for her sire and the offspring of his sire, Bapton Upright, totaled the all-time high in sales of the progeny of one bull. Calrossie Fearless was regarded by many as the best son of Calrossie Control. A red daughter by Elcona Elvin, calved April 17, 1956, sells at foot. Kair Fuchsia is rebred to the same bull. Here is another of these infrequent opportunities to buy an imported cow of unsurpassed pedigree and proven ability to produce good calves.

One daughter of this cow sold at the 1954 International to Lyons Brown for \$900 and a son brought \$700 in the October, 1955, Elcona-Clear Creek-Robinwood sale. A granddaughter purchased by Kickapoo, topped the females at \$800 in the Fall, 1954, Indiana Shorthorn Breeders' Association sale. Cluny Augusta Jean has at foot a red bull calf by Elcona Elvin born on March 19, 1956. It is only on very rare occasions that imported animals of her quality and pedigree can be purchased in this country. She is rebred to Elcona Elvin.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves shall be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment shall be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
